Patent pending - Arlington Industries, Inc.

Arlington Industries' IN BOX for new siding is now available from Plastic Components! This one-piece, recessed electrical boxes save labor time, and because IN BOX installs in the wall, you'll get a great-looking job too. The cover protrudes from the wall just enough for a neat, clean appearance. And IN BOX, for new siding, has flanges that cover the cut ends of siding.

- No gaskets required
- For all siding types
- Clear or paintable white cover
- UL/CSA Listed weatherproof-while-in-use
- Meets NEC 2014 (National Electric Code)
