LISTED PRODUCT

Serie 549 :  
549, 3549, 4549, 6549

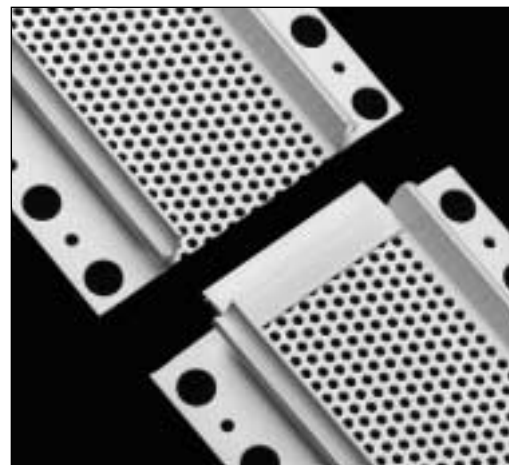

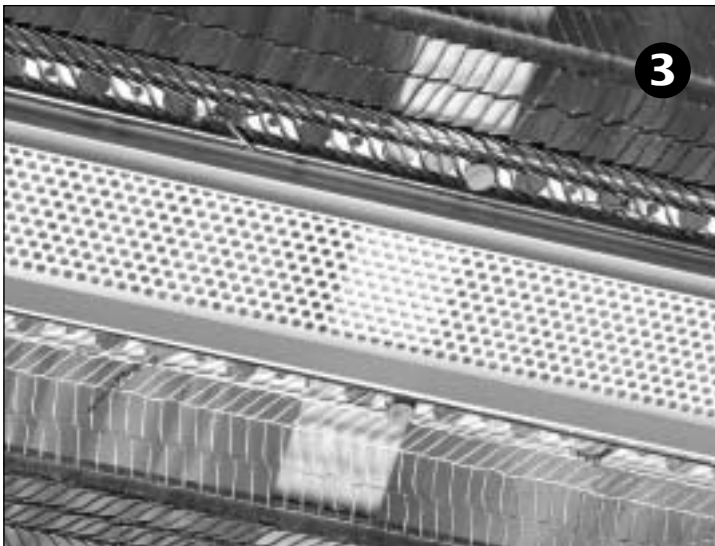

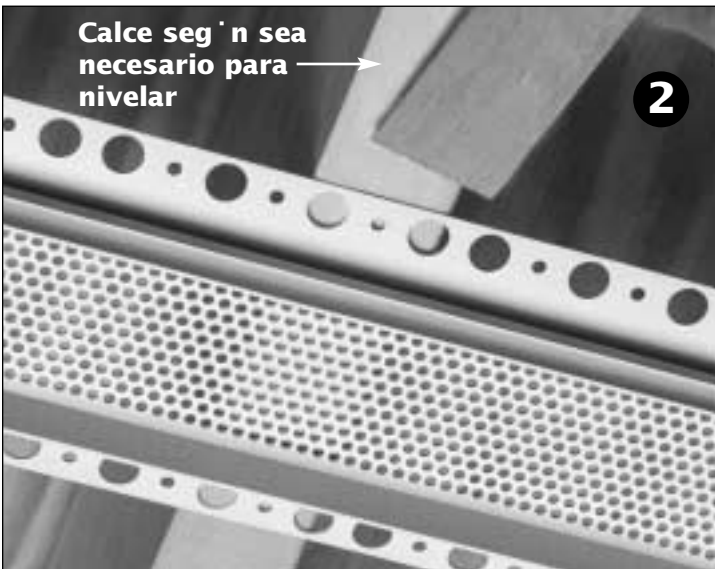

**Para instalar**

- 1 Fije el respiradero a la vigueta.
- 2 Cálcelo según sea necesario, para mantenerlo a nivel.
- 3 Instale el listón **sobre** las pestañas, de acuerdo con las normas de la industria.

**Notas adicionales**

El respiradero viene en piezas de una longitud de 10' (3m) para instalarlas una a continuación de la otra. Utilice las grapas conectoras suministradas para unir las piezas.
