

## Ultra-Lath® 1/8" self-furred plastic lath

Controls moisture, increases air circulation in exterior walls

Ultra-Lath® Overall thickness: 3/16" (5 mm)

Plastic Components' **Ultra-Lath® plastic lath** is ideal for all vertical cladding with drainage.

**1/8" self-furred Ultra-Lath** creates a space between cladding and wall for increased air circulation and drainage. It controls moisture, reducing mold, mildew and dampness in the wall. Plus, its high compressive strength prevents crimping at fastening points, eliminating blockages.

It comes in convenient plastic strips (Strip-Lath®) for use as furring strips, and/or sheets and rolls for full coverage.

Safe and easy to use, and unaffected by salt, moisture and chemicals, heavy-duty Ultra-Lath plastic lath is 1/8" self-furred and compatible with all cement-based products.

### Uses

Moisture management for above or below grade exterior wall systems.

- **Non-rusting** alternative to metal laths
- **1/8" (3 mm) self-furred**
- High compressive strength prevents crimping at fastening points and eliminates blockages
- Lower installed cost
- Light weight
- Cuts with a utility knife
- Safe, easy to handle
- Long, outdoor life – unaffected by sand, moisture or chemicals
- Available in strips for use as furring strips, and sheets or rolls for overall coverage

# Ultra-Lath® 1/8" self-furred plastic lath

Rustproof, 1/8" self-furred, damage resistant plastic lath

### ROLLS

Product Number	ULTRA-LATH Plastic Lath	Packaging	Qty per Pallet
<b>PDMR</b>	27" x 100' ROLL (686 mm x 30.5 m)	225 sq. ft per roll (21 m <sup>2</sup> )	18 rolls per pallet 4050 sq ft (376.25 m <sup>2</sup> )

### SHEETS

Product Number	ULTRA-LATH Plastic Lath	Packaging	Qty per Pallet
<b>PDM2796</b>	27" x 96" SHEETS (686 mm x 2.4 m)	10 sheets per bundle 180 sq ft (16.8 m <sup>2</sup> )	25 bundles per pallet 4500 sq ft (418 m <sup>2</sup> )

### STRIP-LATH® STRIPS Strips of Ultra-Lath plastic lath

Product Number	Width	Length	Pieces per Box
<b>PDM3</b>	3" (76 mm)	96" (2.4 m)	50
<b>PDM4</b>	4" (102 mm)	96" (2.4 m)	50
<b>PDM6</b>	6" (152 mm)	96" (2.4 m)	50
<b>PDM8</b>	8" (203 mm)	96" (2.4 m)	50

Available in  
 Rolls and Sheets  
 for overall coverage  
 and Strip-Lath strips  
 for use as  
 Furring Strips

We recommend Plastic Components PVC trims for applications using ULTRA-LATH® plastic lath
