U-Drip Trac™

Product Number	Description	Pieces Per Box
UDT-1	Heavy Duty PVC Drip Trac with 3-1/2" (89mm) unpunched back flange. Weeped, with 1/2" shelf	40

Plastic Components' **U-Drip Trac™** is perfect for Exterior Insulated Finish Systems (EIFS) and other foam systems requiring moisture management.

The product is weeped (1/8" diameter holes), with 5/16" diameter holes on the 1/2" wide 'shelf' – perfect for moving moisture away from the foam system.

- 3-1/2" (89 mm) unpunched back flange with 1/4" diameter attachment holes spaced 6" on-center
- Supports 1" or greater foam board
- Extra wide 'shelf' for better keying
- Easy to handle, UV rated

Finish Coat

The base coat mesh should be lapped over the top of the perforated flanges and across all butt joints.
