

# Fiber Cement Board Trims

**Control Moisture, Get a Better Finish ■ for 1/2" or 5/16" Board**

Manage moisture. Improve the look of your building with our rustproof, aesthetic reveal and trims.

They deliver pleasing lines while moving moisture away from the building.

**UV resistant • Paintable for design flexibility!**

## Corner Bead

Consistent angles. Even, impact-resistant corners.

## Starter Trac

Positive slope moves moisture out, away.

## Z Flashing

Aligns horizontal boards. Angled for moisture control.

## H Trim

Conceals vertical joints. Superior to caulk.

## Aesthetic Reveal

Quickly creates consistent open space between boards.
