Inside/Outside Corner Bead

Product Number	Description	Pieces per Box
2223	1-1/2" x 1-1/2" (38 mm x 38 mm)	50

Application:

Corner Bead was designed to provide consistent angles and even, impact-resistant corners.

Fiber cement board trims provide a rust-free finish, superior moisture management and protection and can be used with 5/16" to 1/2" board. These products provide a cleaner job and a better finish.
